Dear Parents/Carers,

Year 6 Residential Trip

Year 6 is a hugely busy year for our children, when they start to prepare themselves for high school. One of the most exciting experiences that we offer our children is the opportunity to go away with their peers on a residential school trip.

This involves 3-4 days of outdoor and adventurous activities, and will take place in the summer term. At this stage I would like to get a rough idea of the number of children who would like to come. I have made some provisional bookings, but need to know estimated numbers before I can confirm these.

If you would like your child to attend the residential trip please return the slip below by **Friday 16th September**. Even if the slip is returned, this is on a no obligation basis.

I look forward to taking Year 6 on their residential visit.

Kind regards,

Chris Keeley
