## Announcements

### PE Kits

Please ensure your child has a bag on their peg for the whole duration of the week, clearly labelled. This should include a t-shirt, shorts and suitable footwear.

### Sun Cream

Please ensure your child either comes in wearing sun cream or send a bottle in with their names clearly labelled. Please note, we cannot directly apply sun cream but can assist children by talking them through the process.

### Punctuality

There are still lots of children being dropped off after we take the register. Please ensure children are dropped off on time to avoid disrupting learning time. Could we please also ask parents to vacate the building after drop off.

### Dental Health Concerns

Nearly 500 young children a week are being admitted to hospital to have rotten teeth removed, and according to NHS figures tooth decay is now the main reason that 5 to 9 year olds in England are treated in hospital. Dentists say in some cases, children need to have all of their baby teeth extracted. [Click here](#) to watch the full BBC report.

## Fortnightly Family Task

What did you do during your school holidays?

Can you bring in a selfie of you in one of the places you visited over the holidays to show to your teacher?

Show your teacher and she will put your photo in the travel agents and move your owl up!
