

The Hoot

Year 1 Edition
Wb: 12.6.2017

Announcements & Reminders

Year 1 Phonics Screening takes place this week:

- Monday: 1LT
- Tuesday: 1LH
- Wednesday: 1HC

Wednesdays, Thursdays and Fridays are now all DIY (Do It Yourself) days so please ensure your child comes into class on their own on these days.

Maths

We will be learning about: Capacity, position and direction.

Key vocabulary: full, empty, fullest, almost, nearly, half, quarter, turn

How to support your child:

Do some practical activities that involve measuring capacity e.g. fill half the jug, which cup has the least in etc. We will also be learning about quarter, half and full turns so you could play some games and introduce some of the language that we will be using next week (see above). You could play robot games where your child follows your instructions on how many turns to make so that they are facing the right direction, or they could give the instructions and you or a toy could be the robot.

English

We will be learning about:

We are continuing with our own fantasy stories.

How to support your child:

Ask your child which elements of the story they have looked at so far (characters and setting) and retell their story. What will happen next? (problem and resolution). Encourage your child to be creative and imaginative when thinking about ideas for their stories.

Phonics

Next week's sounds:

Reviewing all the sounds learnt in Phases 2 – 5

Looking at what to expect from reading the 40 (phonics screening) words.
