Mon 10th July

Pick Up

If your child is being picked up by a different adult or going to a friend's house please can you let the teacher know ahead of time. The message needs to come from an adult, not a child. If you are unable to catch the teacher then a message can be left for them at the school office or by phone or email.

English

Book of the week: Traditional fairy tales

We will be: Learning about the structure of fairy tales and identifying the features they share. We will then be planning our own fairy tale called 'The Princess and the Dragon'.

How to support your child: Read fairy tales at home and discuss them. Ensure your child can identify the title, opening, main characters, setting and theme.

Maths

We will be learning: To use inverse calculations (using addition to check subtraction and vice versa) to solve missing number problems (eg: $36 + ? = 48$ could be done as $48 - 36 = ?$ to find the answer)

We will also be using our knowledge of the 2, 5 and 10 x table to solve problems.

Key vocabulary: add, plus, take away, minus, inverse, times, groups, lots of.

How to support your child: Practise counting in 2s, 5s and 10s to make sure they are really confident. They also need to be able to do this backwards!
