Bank Holidays

Friday 1<sup>st</sup> April: School Closes

Reminders:

**Mad Science** Last week, the children had a great time at Science School! We created exciting volcanoes and even made our own slime. The staff were extremely proud of the children's behaviour, they were so excited and it was lovely to see their reactions to the experiments!

**Small World Toys** We are looking for donations of small world figures and houses/castles etc. If you have any unwanted toys in good condition please can you send them in to your child's class teacher. Thank you.

**Maths Workshop** On Thursday 10<sup>th</sup> April we will be running a Maths Workshop for parents and carers. This will be an opportunity for you to see how we teach Maths in Reception. We will also be giving out Maths Packs for you to take home with fun activities you can do with your child.

Weekly Family Task:

### The Library

Our children love to read.

Over the holidays a trip to the library would be a great opportunity to immerse your child further in the wonderful world of books.

Chorlton Library have some great activities during half term.

If you have any questions please speak to your child's class Teacher.

Kind regards ~ The Reception Team
