

Science

We will be learning all about health and growth.

This will include the importance of exercise and eating a balanced diet.

DT

We will be using the planning, making and evaluating process to make our own 3D models.

English

We will be reading some lovely stories and poems, which we will explore through discussion and drama. We will use paired and individual writing to explore characters and settings. We will learn how to use different sentence types to make our writing lively. Our focus on answering comprehension questions will also carry on.

BOOM!!!

PE

Kieran will be reinforcing the importance of exercise through outdoor PE (make sure you bring your long trousers ready for the colder weather).

ICT

We will be creating and debugging simple programmes using the ipads.

Articles 9, 29 and 39. Education should prepare children to live responsibly and peacefully in a free society.

Curriculum Enrichment

Guy Fawkes will be visiting Year 2 on Monday 6th November! More information will be sent nearer the time so watch this space!

Maths

In maths we will be learning how to recognise and use symbols to combine amounts to make a value. We will also explore money— can we find different combinations of coins to make the same amount of money?!

RE

Our topic this half term is on Jewish people and what they believe. If you are an expert on Judaism, we would love to hear from you!

Music

We will be learning new songs as well as playing instruments and learning their names.

History

We will be learning all about Guy Fawkes and the famous 'Gunpowder Plot'. We will develop our drama skills, write recounts from different perspectives, letters and diary entries.

Parent/Carers reply slip. Please send in your suggestions and comments by returning this slip to your child's class teacher.
