

WRITING

Our amazing writers will be writing non-chronological reports, diary entries and using hieroglyphics. They will also use drama to explore the lives of Ancient Egyptians.

DT/ART

We will be creating our own Ancient Egyptian world, making a variety of Ancient Egyptian artefacts.

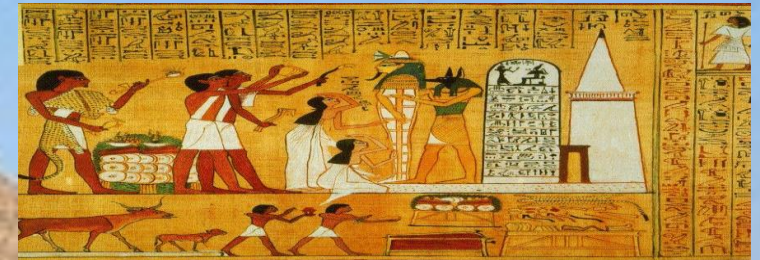

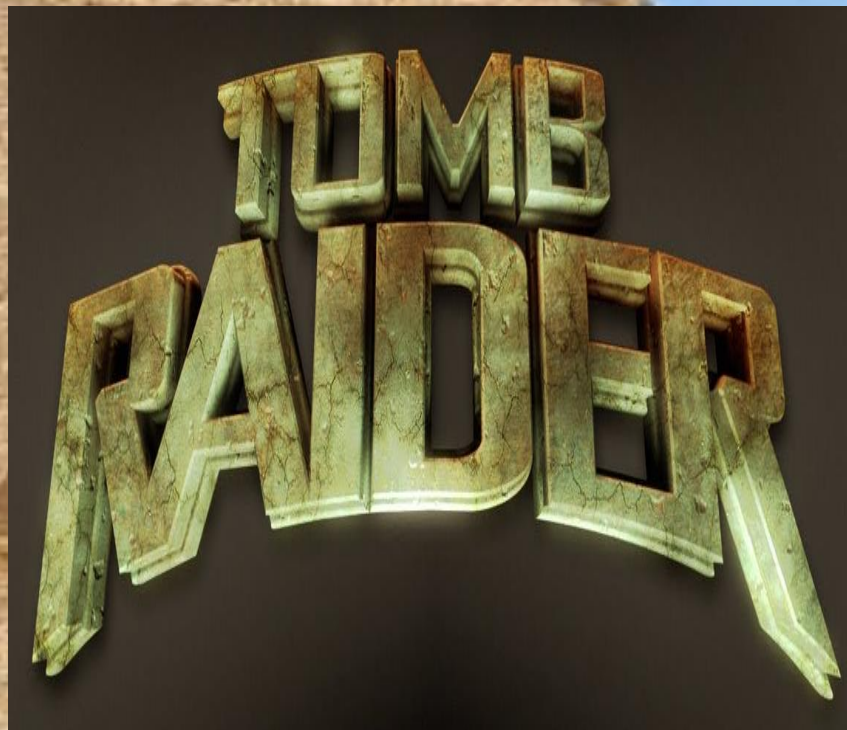

MATHS

The Ancient Egyptians were fab when it came to maths but the way that we write our numbers is completely different! We will challenge each other with some calculations...Egyptian style!

OUR HOOKS

Firstly, we will be going to the Manchester Museum to investigate their Egyptian artefacts and see how to put on an exhibition.

Then, once we have designed and made our Ancient Egyptian world, we will set up our very own museum exhibition and invite you all to have a look around!

GEOGRAPHY

We will be brushing up on our map reading skills as we explore Egypt. We will also compare Ancient and Modern Egypt and may even take a virtual trip down the Nile!

HISTORY

Around 5,000 years ago, the Ancient Egyptians established an extraordinary civilization...we will be stepping back in time to enter their world! We will learn all about what life was like; including the pyramids, mummification, beliefs and the tragic tale of Tutankhamen.

RIGHTS AND RESPONSIBILITIES

Article 28: Every child has the right to an education.

We would love to hear your views on our topic. If you have any ideas, please return them on the slip provided.
