

Geography

Following on from our study of Cottonopolis, we will look at the effect of the Industrial Revolution on Manchester's landscape. We'll visit Longford Park to complete orienteering and draw maps of our surroundings.

English

This term we will be studying fiction and story writing – particularly how we can create an atmosphere, develop characters and engage the reader.

Maths

In maths we will revisit everything we have been taught in Year 5 to prepare for our transition into Year 6!

PE

Training for sports day begins! We will dive straight into athletics with sprints, long jump, the javelin throw- you name it! After that we'll do a summer favourite- tennis.

If you have any ideas for things we can include in our topic, please complete the attached slip or see your child's teacher.

RE

We will be continuing with our key question from this half term: What does it mean to be Muslim living in the world today?

PSHE

Growing and Changing

This unit looks at; personal identity; friendships and relationships; growing up; body changes and hygiene; and personal safety.

Science

We will continue to look at life cycles this term, bringing our focus to the life cycle of animals, including humans.

Rights Respecting

Article 13 – Your right to have information.

Article 31 – Your right to relax and play.

Putting Manchester on the Map!

Parent/Carers reply slip. Please send in your suggestions and comments by returning this slip to your child's class teacher.
