

"My favourite thing about school is that I get to learn, see my friends and most of all get a great education. It has changed me into the person I am today."- **Ethan**

"My favourite topic has been 'Cocoa Crazy'. We were learning all about chocolate and where the cocoa bean came from. We also got to make chocolate and it was really fun."- **Hosna**

"One fact I can say about Oswald Road is you won't want to leave."- **Haseeb**

"My favourite memory was when I first tried the school monkey bars and failed."- **Lenny**

"Our school has many things that make it special and unique including the diversity. Everyone's different and we love that."- **Edie**

My Oswald Road Experience

We asked Year 6 what they love about being a pupil at Oswald Road Primary School...

"One thing that makes our school unique is that we don't have to wear school uniform and that we have different beliefs and backgrounds."- **Enas**

"My favourite topic to learn about was The Great Plague, along with my favourite school trip, Eyam."- **Ruby**

"My favourite subject is maths because when I get something right I feel a rush of excitement."- **Isaac**

"My favourite subject is maths because there are lots of different tricks you can learn, especially with fractions."- **Arooj**

"I will miss the school overall because I've been here since I was 4 or 5 years old and now I am 10, so I have been here for 6 years."- **Hanya**

"My favourite memory is when the Bee Gees came to our school."- **Olly**

"I will miss all the teachers and all the fun times that I have had. My favourite memory is when we had tadpoles in Mr Hegaty's class."- **Zoe**
