Summer Term

Now the weather is getting warmer children will need their sunhats and sun cream to be available in school. Please ensure your child's sun cream is clearly labelled. We would suggest applying some sun cream before school in order for us to reapply at lunchtime.

Reminders:

Reading Records – Please ensure you are signing your child's reading record to ensure we know he/she has read their book. If you do not want to leave a comment, just a signature will be sufficient. We will not change books unless we see a parent's signature.

Polling Day – The next polling day Nursery closure will be Thursday 23rd June.

Punctuality – We still have lots of children coming in late and being collected after 3.15pm. We appreciate this may happen occasionally however this does cause disruption and can delay our teaching and learning. As per the new morning arrangements please ensure your child is in school by 8.55am in order for all gates to be locked. It is essential that all parents vacate the premises by 9:00am. If you are late, please allow one of the adults to greet you at the door to assist your child with morning routine. Instilling good routines is essential, particularly in our preparation for Reception class.

Fortnightly Family Task

The children are doing so much learning in school and we are sure they are showing you so much at home too! Parental contributions are so important to us especially so we can add this to our learning journeys. Please take some time to fill in a postcard telling us about something which your child has been doing at home.

If you have any questions please speak to your child's class teacher.

Kind regards, The Nursery Team
