“Show off your Spellings!”

Each week we will be focussing on spelling some of our tricky words correctly. Please help your children learn these at home and they will be able to “show off” to their teacher.

This week’s spellings: you, they, all, are, my and her

Zoo Trip

A few reminders before our upcoming trip:

We will be outside for the majority of the day so please could you send your child to school with a waterproof coat/sun hat/sun cream and ensure they are wearing sensible shoes – there will be a lot of walking.

The children will be expected to carry their own packed lunch with them so we suggest a fully disposable lunch and/or a backpack to make it easier. They will not need any extra spending money.

Any finally, if you know that your child suffers from travel sickness, please could you let the class teacher know and then we can sit them near the front of the coach.

Weekly family task

This week we have been counting back. Practice playing counting games with your adult. Can you count down from 20?

We have also been working hard on our number formation. If the weather is good you could practice writing your numbers to 20 outside with chalk, or a bucket of water and a paint brush.

If you have any questions please speak to your child’s class teacher.
