

## Art/DT

We will be looking at images of the stars and creating our own film star image in a Warhol style.

## Science

What A Reaction! – We will explore the effect of mixing materials, as special effects!

## Writing links

We will be studying A Midsummer Night's Dream for our performance. We will also be writing first person accounts of early Hollywood and writing application forms for film roles.

## Geography

Hollywood, Here We Come! We will look at land use –the perfect location for film industry and Hollywood today – maps, facilities, development and why places change.

## Maths links

As part of our investigation into cameras we will be, measuring angles of light reflection.

We would really love to have your feedback about our topic web!  
Please send the attached slip back to us 😊

## Trips/Events

This term is full of excitement. We have our end of year performance, trip to Kingswood and a few mystery outings! What more could you ask for?

## History

We will be exploring the leisure and entertainment industry in the 20<sup>th</sup> Century. We will look at the movie industry, the importance of the 'Swinging Sixties' and why technological advances have improved the 20<sup>th</sup> century entertainment industry.

Rights Respecting

We will be looking at article 31: The importance of play and rest.
