

Oswald Road Trip Advisor

Our Trip

Location: Eureka

Date: 20.10.16

Cost: £13.80

How we got there: Coach

Activities/What we did:

Each class went to a Workshop in the Grossology Lab, where they learnt disgusting facts about the body.

We also visited the interactive galleries : All about Me, Living and Working Together, Sound Space, Desert Garden, Our Global Garden, and the Wonder Walk.

We had our lunch on a stationary train carriage.

Pupil voice:

“We really enjoyed the trip. Some of us had been to the Eureka museum before. We liked the Grossology Lab. It was disgusting and fun.”

Staff voice:

“The trip was a great success. The children enjoyed the interactive nature of the museum and all were able to consolidate their learning about ourselves and the body. A great place to visit with lots of spaces to enjoy and learn from. Great workshop in the Grossology Lab. Children thoroughly enjoyed getting involved in the snot, sick and germ investigations. Great trip!”
