

# Oswald Road Trip Advisor

## Our Trip

Location: Lower Moss  
Nature Reserve

Cost: £11.50 per child

How we got there: Coach

Activities/What we did:

- Exploring the forest and all its wildlife
- Learning to mimic different birds' songs
- Dancing in the wind like nettles
- Feeding the ducks by the lake
- Pond dipping for pond skaters, tadpoles and lots more!

### Pupil voice:

"Lower Moss Woods were great! I loved looking at the ducks and there was even a little yellow chick!"

"I loved pond dipping and I caught lots of different creatures!"

"I also liked the fact that Ray (our guide) was really funny and kind."

### Staff voice:

"The children thoroughly enjoyed their trip to Lower Moss Nature Reserve! The passionate and witty Ray kept the children engaged throughout with his birds' songs, extensive knowledge of the forest wildlife and he got a lot of giggles from the children with his story about a little squirrel sat up on a branch relieving itself on another group of children the week before! Pond dipping was definitely the highlight of the day. The kids caught a multitude of different lake creatures!"
