**“Show off your Spellings!”**

Each week we will be focussing on spelling some of our tricky words correctly. Please help your children learn these at home and they will be able to “show off” to their teacher.

This week’s spellings: there, little, one and when

**Transition** – the children have visited ‘big school’ this week as part of our transition project. We visited lots of different areas the children will be accessing next year.

**Water Bottles, Suncream and Sunhats** –

Please ensure that you apply sunscreen to your child every morning and that they have both a water bottle and sunhat in school every day.

**Letter and Number Formation** –

we have been working hard with the children to practise both of the above. If you have time to practise these at home please send any great work in for us to celebrate with the children.

**Weekly family task**

We have been setting up some exciting role play areas for the children linked to our new topic ‘Journeys’. The family task this weekend is to create a prop for the role play area – something that will take you on a journey in the sky.

If you have any questions please speak to your child’s class teacher.
