

Oswald Road Trip Advisor

Our Trip

Location: Chorlton Library

Cost: Free!

How we got there: Walked

Activities/What we did:

- We were really lucky to meet an author called Julia Jarman.
- Julia read a selection of her books including;

The Big Red Bath
The Big Bouncy Bed
Class Two at the Zoo
Bears on the Stairs

- Julia had a story sack with her for The Big Red Bath. Using the story sack we were able to retell the story all by ourselves!
- We learnt a song all about pirates and Julia showed us some actions to go with it.
- At the end, we were allowed to ask Julia some questions. She told us about how much she loved writing her stories!

Pupil voice:

- "I like 'The Big Red Bath' book the best. It was really funny when Kangaroo made it fly into the sky."
- "I showed my Mummy the pirate song."
- "I love going to the library. I have my own card. I get books from there."

Staff voice:

'We have spent a lot of time talking about authors this half term. It was lovely for the children to meet Julia and ask her questions about her books. Many of the children have come back to Nursery and had a go at writing books themselves.'

'The children were all engaged and listened beautifully. They really enjoyed retelling the story with the soft toys. It brought the story to life.'
