English

We will be reading *Amazing Grace*. We will stop reading the story part way through and predict the ending. We will plan and write our own ending before reading the true ending of the story.

We will also be developing our comprehension skills by answering questions linked to the story.

Maths

This week we will be continuing with our work on money units by introducing the £ symbol. We will count in £1, £2, £5, £10 and £20.

Things to think about:

Which coins/notes are easiest to count? Why?

Is there a different way to count the money?

Ways to help at home: Let your child handle real money—coins and notes. Can they buy something in a shop using the exact amount of money?

Homework: Please check your homework books for the latest homework.
