English

Our book this week is *The Iron Man* by Ted Hughes.

We will be delving into the mind of the author to see how he creates the mood of the story.

We will be developing our comprehension skills by using what has been read to predict what might happen next.

We will also be doing some drama to help us write a diary entry for one of the characters from the story.

Phew...a busy week!

Maths

÷ What does this symbol mean? How can we solve calculations such as $20 \div 5 = ?$

We will be sharing, grouping, dividing by 2- looking at odd and even numbers. Can we divide 13 by 2?

We will also be using our knowledge of the 5 and 10 times tables to help us!

Ways to help at home: recap odd and even numbers, practise counting in 2s, 5s and 10s.
