Announcements & Reminders

Who ate my porridge!

All bears like porridge! As our book of the week was based on bears we decided it would be fun to make our own porridge. We had to add water and milk to some oats and then had to use the microwave to heat it up! We could choose from honey, jam or chocolate to add to our porridge! A big thank you for your reception fund donations, as these experiences are not possible without your generosity.

Root Vegetables

Next week we will be making vegetable soup. We would appreciate any donations of root vegetables such as carrots, potatoes, butternut squash, turnips etc.

Fortnightly Family Task

Go on a shape hunt around your house. What shapes do you see?
