Dear Parents/Carers,

## Year 1 Puppet Making Shop

This week we are making puppets in Year 1! To try and put the whole design and make process into a real life context for the children we are setting up a shop where the children will 'buy' and 'hire' the materials and tools that they need to make their puppets.

Therefore on Thursday we are asking the children to bring in £1 (preferably in change of 5ps, 10ps and 20ps) so they can 'buy' what they need. As this is only to give them the experience, they will get their £1 back at the end of the day.

Please support this by sending your child in with their £1 in a small purse, envelope or money bag which can easily be identified as theirs and also a bag that the children can put their materials in.

On Friday we will be making the puppets. This can be tricky – especially the initial sewing section. If you are available to help please let your child's teacher know – all help will be gratefully received! You will probably be needed between 9:00am-10.30am, but if you can only give 45 minutes this will be welcomed too.

Kind regards,

Hayley Craven, Jessica Jones, Satnam Singh & Leanne Eldridge  
Year 1 Teachers
