Announcements & Event Reminders

Thank you to all parents and carers for their support at the Christmas performances—it was lovely to see so many of you cheering the children on!

We will not be sending homework out this week, but would like the children to attempt the fortnightly topic task over the Christmas break, if at all possible.

Just a reminder that school closes for 2017 on Wednesday 20th December.

We wish you and your families a very Merry Christmas and a Happy New Year! School recommences at the usual time on Wednesday 3rd January- we look forward to seeing you then.

Fortnightly Topic Task

The new topic task is to create a tourist guide for the UK. This fits in with next half term's topic, which is all about UK Geography and called 'Staycation'. The guide can be in any format (poster, leaflet, even a video if you like). This homework is due in on the first Friday after the Christmas holidays (Friday 5th January).

English & Maths

Next week in English we will be completing our poetry writing about winter.

In maths we will be looking at the calculation and measurement of perimeters.

This week's spellings:

Spellings have not been set this week, but we would like the children to look again at the words stuck in their books and revise them for next term.

Please remember that all children are required to read daily and add to their reading records
