In maths we are learning...

Multiplication and division written methods.

This week's spellings:

This week the pupils will be focusing on homophones (words having the same pronunciation but different meanings, origins, or spelling).

We recommend thinking of your own memory tricks to help you.

E.g. **Hear** with your **ear**.

Here, **there**, **everywhere**.

Please remember that all children are required to read daily!

Fortnightly Topic Task

(please note this is the main homework task)

This half term we are learning all about the Vikings. We would love you to design something creative for our classroom displays or to teach the class something new. This could be a written piece, a PowerPoint, a piece of art or something else. Put your thinking caps on and wow us with your creations! **Deadline: 24/11/17**
