

19th September 2017

Dear Parents/Carers,

Nursery Stay & Play

We would like to invite you to attend our first Nursery Stay & Play on **Thursday 9th November from 8:45am-10:00am**. We run Stay & Play sessions every half term and they are a great opportunity for you to spend time with your child in school to see what happens during teaching times. The children love showing their grown-ups around their Nursery and it is a brilliant way for you to see how you can support your child at home to ensure continuity between home and school.

As it is our whole school focus, we will begin with a maths themed Stay & Play. This will be an opportunity for you to see how maths is taught in school, what resources the children have available in class and gain some practical and fun ideas about what simple everyday resources can be used for practising maths skills around the home and outside. We will also be providing you with some lovely maths resources for you to use with your child at home.

If you have anything that you would specifically like to see in future Stay & Play sessions please do not hesitate to see your child's class teacher with your suggestion.

We look forward to seeing you there.

Kind Regards,

Laura Tracanna & Khadijah Iqbal
Nursery Teachers
