

The Hoot

Year 2 Edition
Wb: 27/11/2017

English

We will be practising our comprehension skills this week and writing our own stories using story bags to help us plan.

Maths

This week we will be revisiting previous work on place value and addition and subtraction.

Things to think about:

What is the value of each digit in a 2 digit number?

E.g. 42

The value of the 4 is 40 (or 4 tens) and the value of the 2 is 2 units.

Ways to help at home: Remind your child what methods they can use to add and subtract.

Eg. Using objects, a numberline or a 100 square.

Homework: Please check your homework books for the latest homework.

Announcements & Reminders

PTA Christmas Fair– Saturday
2nd December

KS1 Christmas Performances
- Thursday 7th December at
2:00pm and Friday 8th
December at 9:30am
