

29th September 2017

Dear Parents/Carers,

Chorlton & Didsbury Food Bank Collection

In the spirit of the harvest season we would like to collect food and household items to donate towards the Chorlton & Didsbury Food Bank, which is part of a nationwide network of food banks that are working towards combating poverty and hunger in the UK. This will be a wonderful opportunity for Oswald Road Primary School to stand strong together and give back to our community.

Chorlton & Didsbury Food Bank currently have plenty of beans, tinned fish, pasta and soup, but the food items **urgently** needed are:

- Tinned Fruit
- Tinned Vegetables
- UHT/Long-life Milk
- Sugar
- Biscuits

In addition to the above items, other very useful items include; toiletries, nappies and baby food, cereals, coffee, sanitary products, long life fruit juice, rice, pasta sauces, pet food and other non-perishable items. We will be collecting the items at the school office. We will also be organising a special Harvest Assembly for the children, which will take place during the last week of half term, where we can celebrate and take time to have a look at the amount of generous donations we have collected.

Thank you so much for your support.

Kind regards,

Khadijah Iqbal
Nursery Teacher
