Fortnightly Topic Task

This half term we are learning all about Spain! We would love you to design something creative for our classroom displays. This is the final week for this homework, so please bring your creations into class!

English & Maths

In English we are learning...

"Toro! Toro!" by Michael Morpurgo

We will look at how Morpurgo uses a dash for parenthesis and how characters are built through his use of language. We will then apply this to our own writing.

In maths we are learning...

Roman numerals, addition and subtraction!

This week's spellings:

This week we will be focusing on words with silent letters again. Class teachers will give the children a copy of these spellings to learn for the test next week.

We recommend saying the silent letter when you say the word. This helps us remember how to spell the word (...and it's hilarious!)

Please remember that all children are required to read daily!
