

29th September 2017

Dear Parents/Carers,

e-Safety Workshop

At Oswald Road Primary School we consider the safeguarding and protection of our children to be our highest priority. With the expansion of social media usage and the growing trend for younger children having access to mobile phones and iPads, it is essential that all members of our community are aware of the need to use caution and act responsibly when using online technology.

I would like to invite you to an e-Safety workshop that I will be running on **Thursday 12th October** from **2:30pm-3:30pm**. If you would like to attend please fill in the slip below and return it to the school office. If you are unable to attend but would like further information please look at the e-safety resources on the safeguarding page of our website, which we are continually adding to.

Kind regards,

Lisa Cameron
Family & Children's Support Coordinator
