**English**

Our book this week is *Traction Man is Here!*

After reading this exciting adventure story, we will be practising writing expanded noun phrases (e.g. the **tall, dark** action figure) to make our writing more interesting for the reader. We will be building up to writing a short paragraph all about some of Traction Man's adventures!

**Maths**

We will be completing our unit on multiplication and division this week, by:

- Telling multiplication stories to match given calculations eg.  $4 \times 10 =$  there were 4 tables each with 10 children. There were 40 children altogether.
- Making and drawing arrays eg.  =  $6 \times 3$  or  $3 \times 6$
- Working out the inverse e.g.  $10 \times 2 = 20$  so  $20 \div 10 = 2$
