

The Hoot

OSWALD ROAD
PRIMARY SCHOOL

Announcements & Event Reminders

Happy New Year to all! We hope you had a wonderful holiday. Now we are back in term time, we will press forward as usual. If parents/carers have any queries, please don't hesitate to speak to us over the coming weeks.

Special Notice

The children of 4MQ are in the process of preparing a class assembly, which will be presented at 9.10am on Tuesday 9th January in the main hall.

We hope you will be able to attend our celebration of all the hard work done in the last half term. Light refreshments will be available - along with dancing! (Parental participation required!)

English & Maths

Next week we will be working on the writing of instructions - specifically relating to origami, which links to our new class book 'The Arrival', on which much of our writing this half term will be based.

In maths we will be starting our work on fractions and looking in particular at tenths and hundredths.

This week's spellings:

erosion	progression
expansion	television
illusion	televise
mansion	version
pension	diversion

Spelling pattern is 'sion' at end of words.

Please remember that all children are required to read daily and add to their reading records

Fortnightly Topic Task

The new topic task for this fortnight links to our science topic of living things and their habitats. We would like the children to pick an animal of their choice and prepare a poster giving details of its lifecycle, habitat, feeding habits, behaviour and anything else which would be interesting to the rest of the class. The presentation can be in a form of your choice! This homework is due in on Friday 19th January.
