Dear Parents/Carers,

Year 1 Lego Workshop

On **Monday 12th February** Year 1 will take part in an exciting Lego Workshop, which links to our Geography topic for this half term- 'Towns and Cities'. The workshop will take place in school and will be delivered by Teambuilding Workshops.

Each child will build their own small part of a city out of Lego and the children will then work collaboratively to put their pieces together to create a complete city, complete with lots of different buildings and amenities. This exciting activity will encourage the development of, amongst other things; teamwork; logical thinking; creativity; and practical design.

A minimum contribution of **£6.00** to help cover the costs of the workshop would be appreciated. If we do not receive sufficient contributions, the workshop may have to be cancelled. Please return your slip and payment to the school office in an envelope with your child's name, class, amount enclosed and what the slip/payment is for by **Friday 9th February**. Alternatively, payment can be made online via SIMS Agora. If your child is eligible for Pupil Premium, you are entitled to the workshop being funded by school.

Kind Regards,

Jessica Jones, Hayley Craven, Jen Dyson & Leanne Eldridge
