Dear Parents/Carers,

e-Safety Questionnaire

We would be really grateful if you could complete our e-safety survey. e-Safety is about the protection of children whilst they are using the internet and digital technologies. This includes; risk taking and inappropriate behaviour by children and young people; risks and inappropriate behaviour by others towards children and young people; and illegal activity.

Whilst our school strives to empower your children with the knowledge to stay safe, it is important that you as parents and carers have a good awareness of the risks and dangers yourself. There are 20 questions that should take you no longer than fifteen minutes to complete. The results of this survey will give us a better understanding of any risks or knowledge gaps so that we can help you.

Thank you for taking the time to complete this survey. Please bring your completed survey to the school office no later than Friday 1st December.

Kind regards,

Donna Wealleans & Lisa Cameron
Safeguarding Team
