December (all PM)

**Last Day of Autumn
Term-** Wednesday 20th
December

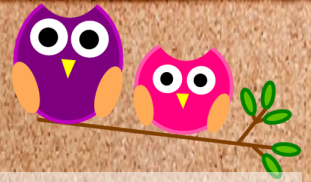

Our Book of The Week: Santa
Came to Manchester

Word of the week: you

Sounds of the week: practising all
sounds learnt

Announcements & Reminders

Junk Modelling

The children have loved making models out of all kinds of boxes and different packaging, but our supplies are running out! Any donations of 'junk' for us to model with would be really appreciated. No toilet roll tubes though please.

Reading Books

Please ensure your child has their reading books in school and signed on book change day. We cannot change the books on different days as this eats into other children's allocated reading time.

Christmas Party

We will be holding our Christmas party during school hours on the last day. This will include lots of dancing, party games and some snacks. Any donations to the Reception Fund would be much appreciated!

Fortnightly Family Task

Our environment is changing now we are moving into winter. What changes have you noticed? Can you go on walk and take some pictures of 'wintery' things that you see?
