

The Hoot

Year 2 Edition
Wb: 11/12/2017

Announcements & Reminders

Christmas Lunch -
Wednesday 13th December

Christmas Parties (in school)
— Wednesday 20th December

School closes for Christmas
— Wednesday 20th December

English

Our book this week is 'Twas the Night Before Christmas'.
We will be performing poetry to our friends around school!

Maths

This week we are returning to multiplication and division.

Things to think about: How can we turn a repeated addition calculation into a multiplication?
E.g. $5+5+5+5$ becomes 4×5

Ways to help at home: Count how many times each number is repeated to help you write the multiplication.

Practise counting in 2s, 3s, 5s and 10s

Homework: Please check your homework books for the latest homework.
