

The Hoot

OSWALD ROAD
PRIMARY SCHOOL

Announcements & Event Reminders

Christmas performances are this week! If your child has lines, please practise with them at home. If your child does not have a speaking part, practising the songs is really important. It's not too early to get Slade stuck in your heads! Enjoy!

Maths homework will be given out next week. It will be to practise the column method for multiplication and bus stop method for division.

English & Maths

In English we are learning...

How to use a range of sentence types and exciting vocabulary to describe Valhalla!

In maths we are learning...

Perimeter, area and problem solving strategies.

This week's spellings:

Children will bring home a personalised spelling list, made up of the words they are spelling incorrectly in their writing.

We would like them to create a poster showing the different ways they have practised them. E.g. spellamadoodle, word pyramids or make up funny songs to remember the spellings!

Please bring the poster in on the first day back after Christmas!

Please remember that all children are required to read daily!

Fortnightly Task

Over the Christmas holidays we would like the children to continue reading for the reading challenge, create their spelling poster, complete maths homework and have a wonderful time with their family and friends!

Deadline: 03/01/18
