Announcements & Reminders

Toys From Home

We have noticed that a lot of children are bringing in toys from home. We would like to kindly remind parents that toys are not allowed to be brought in from home, due to the risk of them getting lost or causing a distraction to the children. Toys are best to be left at home.

Start of the Day Activity

At the moment our start of the day activity is focussed around helping children recognise their names. Every morning the children's name cards will be placed out for them to find. It would be very beneficial if parents could encourage their child to take part in this activity if possible.

Fortnightly Family Task

Good News Postcards- Your children are learning to do new things and are surprising us every day. In Nursery we love to hear all about their achievements and record them in the children's learning journeys. If you have something you would like us to contribute to your child's learning journey, please pick up a postcard from your child's class teacher and write us a note about what your child has done. Perhaps they have been able to ride their bike without stabilisers or have learnt to write the initial letter of their name. We would love to read about it!

If you have any questions please speak to your child's keyworker.
