In maths we are focusing on factors and multiples.

## This week's spellings:

Your child has been provided with spelling homework which focuses on how words change when suffixes are added.

Please remember that all children are required to read daily!

## Fortnightly Topic Task

This half term we are learning about the Maya. Jade (a metamorphic rock) was very precious to the Maya people. They used it to make jewellery and mosaic masks. Your task is to create your own item of jewellery or another precious object. This could be a drawing or a model.
