3KG Class Assembly—
Tuesday 30th January

**Year 3 Stone Age
Workshop**— Wednesday
7th February

Please return your reply
slip for the Stone Age
workshop to the office at
your earliest convenience.

English & Maths

In English we will be looking at a non-fiction text about volcanoes, which links to our science topic, *Rocks and Soils*.

In maths we will be focusing on money—identifying the different denominations, addition and subtraction problems and giving change.

This week's spellings:

The **irregular past tense** endings for words ending in '-ow.'

Please see separate sheet that your child will have brought home.

This week's maths skills:

Practice 2-digit x 1-digit numbers using the *Grid Method*
(e.g. $35 \times 4 = ?$)

Popular online games: Visit: www.topmarks.co.uk and choose the category 'Multiplication and division.'

Please remember that all children
are required to read **daily** and
add to their reading records.

Fortnightly Topic Task—Due on 26.1.18

Make a collage out of rocks. You could arrange the rocks on the ground to make a picture and photograph to bring into school. If you are feeling adventurous you could glue different rocks to a piece of wood to make a rock collage.
