

31st January 2018

Dear Parents/Carers,

Year 1 Den Making

On **Thursday 15th February** we will be building dens as part of our design and technology work for this half term. We will be using what we have learnt in our science and topic work to make a den for our teddy.

In order to help with this we are asking for donations of the following materials:

- Cardboard
- Bubble wrap
- Cotton wool
- Leaves, twigs and sticks
- Rocks
- Junk modelling materials
- Plastic sheeting
- NO toilet rolls please

We want our dens to be waterproof and windproof to protect our teddies from Storm Georgina!

You can start to bring the materials in from next week (they will be stored in the classroom). Each Year 1 class will be informed when to bring their small teddy into school. If you are available to come and help with den building on 15th February then please speak to your child's class teacher.

Thank you very much.

Kind regards,

Jen Dyson, Leanne Eldridge, Hayley Craven & Jess Jones
Year 1 Teachers
