

12th February 2018

Dear Parents/Carers,

Breakfast with Mrs Craven

This Friday will be my last day before I start my maternity leave. On that last morning I will be organising to have breakfast with the children so we can really enjoy our last morning together. This is something I would normally do at the end of the year but have moved it forward in my absence. I will provide some cereals, toast, and other breakfast favourites – you don't need to do anything and you don't need to give your children breakfast that morning (unless you have a very hungry child who wants double helpings!)

If you feel you need to discuss any dietary requirements with me please just pop and see me before or after school. Alternatively, please email any dietary requirement messages to admin@oswaldroad.manchester.sch.uk and mark it for the attention of Hayley Craven.

Finally, can I take this opportunity to thank you for your support this year and wish the children a successful remainder of the year. I look forward to hearing about their progress and achievements and seeing them on my return when they are in Year 2!

Kind regards,

Hayley Craven
