English & Maths

This half term we will be studying Michael Morpurgo's epic retelling of Beowulf in our English lessons, starting with persuasive writing in the form of a job advertisement.

In maths we will be continuing our work on fractions and decimals and moving on to look at area.

Spellings for this week:

migration	motion
nation	option
population	potion
ration	reception
reflection	solution

Please remember that all children are required to read daily and add to their reading records

Fortnightly Topic Task

The first topic task for this half term links to our work on the Anglo-Saxons. We would like you to either: (1) research anything they can find out about the life of Alfred the Great, including his achievements in saving the Kingdom of Wessex and what he did next to secure the future of his people; or (2) make an Anglo-Saxon artefact (this could be a shield, seax, purse, dress or tunic—it's up to you!). This homework is due in on **Friday 9th March**.
