

# The Hoot

OSWALD ROAD  
PRIMARY SCHOOL

## Announcements & Event Reminders

Please can you remember to bring back the following reply slips:

- Manchester Art Gallery
- 'As You Like It' production

## Reading Challenge

Please encourage your children to keep reading to help their class win the reading challenge! If they have finished their book they can swap with a friend in their class.

## Fortnightly Topic Task

We are extending the properties of materials homework due to some confusion. We'd like children to create their own science experiments about different materials— such as observing different changes to materials (melting, cooking, burning etc), reactions between materials (mentos/coke), reversible/irreversible changes (ice/water/steam) etc. Have fun!

**Deadline: 09/02/18**

## English & Maths

### In English we are learning...

How to write play scripts inspired by Ancient Greek theatre.

### In maths we are learning...

Fractions: adding and subtracting fractions.

## This week's spellings:

A selection of words from the Year 5/6 spelling list.

We have highlighted the 'tricky' part of each spelling in red so you know which part to focus on.

## This week's times table: x12

Year 5 are buzzing about the new TT Rockstars! You'll be getting a letter home today with your username and password. Please encourage your children to learn their times tables so they can get the coolest rock star avatar!

**Please remember that all children are required to read daily!**
