

5th February 2018

Dear Parents/Carers,

Oswald Road's Healthy Cookbook!

Who fancies themselves as the next Jamie Oliver? Who can tell their mangetout from their sugar snap pea? The Fit for Learning team would love the children of Oswald Road to join us in producing a recipe book of **healthy** dishes, inspired by different countries from around the world.

To get involved, we would like our children, parents and carers to put on their chef hats and use their creativity and knowledge of healthy eating to design a tasty, balanced dish which could be featured in this exclusive recipe book!

All you need to do is bring in your amazing recipes, pictures of your meal preparation and of course - a picture of the fabulous final product!

Simply post your recipes into the competition entry box at the office to win the chance to see your culinary delights showcased in Oswald Road's greatest cookery book yet! Once the book is completed we will be selling copies of it to raise money for play and lunchtime equipment.

The deadline to get your entries in is **Thursday 29th March**, which is the last day of term before Easter.

Kind regards,

Channi Davis & Luke McDonagh
Fit for Learning Team

Inspiration & Success
