

5th February 2018

Dear Parents/Carers,

Reception Science Day

On **Wednesday 14th February** we will be having a Science Day in Reception to mark the end of our current topic. Children are welcome to come to school dressed as 'scientists' on the day. We will be doing experiments in the morning and have science activities in the afternoon.

We would like to ask for parent volunteers to come and speak in the afternoon about their jobs that use science. If you are able to come in to class please speak to your child's class teacher to make arrangements, or complete the reply slip below.

We would also like to take this opportunity to make a request for donations to our reception fund so that we are able to purchase resources for our science experiments. Any donation, big or small, would be greatly appreciated.

Kind regards,

Sophie Roberts, Fiona Walker & Natalie Glendon
Reception Teachers

Reception Science Day

Child's Name: _____ Class: _____

I am able to come into class on the afternoon of 14th February to talk about how I use science in my job []

Please give a brief outline of your job: _____
