

The Hoot

Year 2 Edition

Wb: 12/2/2018

Announcements & Reminders

2LT Class Assembly -

Tuesday 13th February

School Closes for half term -

Friday 16th February

School reopens -

Monday 26th February

2JD Class Assembly -

Tuesday 6th March

Thank you for your support this half term. Enjoy the break!

English

Our big focus this week is handwriting. We will be ensuring our capital letters are bigger than our lower case letters and that all our lower case letters are the same size.

Things to think about: Remember, our tall letters need to stand taller than all the other letters (eg. l,t,b,d) and our descenders need to drop below the line (eg. g,y).

Maths

We are continuing to learn about shapes this week, specifically 3D shapes. What are the properties of 3D shapes? What 2D shape faces can you see on 3D shapes?

Things to think about: How many edges meet to make a vertex on a 3D shape? How many sides meet to make a vertex on a 2D shape?

Can you make a repeating shape pattern? Where can you see real life 3D shape patterns?

Homework: Please check your homework books for the latest homework.
