

The Hoot

Year 2 Edition

Wb: 19/3/2018

Announcements & Reminders

SATs Information Meeting for Parents-

Tuesday 27th March

School closes for Easter-

Thursday 29th March

School Reopens- Monday
16th April

English

We will be putting our comprehension skills to good use this week by reading a variety of texts!

Ways to help at home: When reading to your child or listening to them read, check they are understanding by asking questions such as: Who are the main characters? Why did that happen? What do you think will happen next? Why did he say that? Can you find the words in the story that tell us how she is feeling?

Maths

This week we are revisiting previous topics such as place value, addition and subtraction and multiplication and division.

Things to think about:

What is the value of each digit in a 2 digit number?

E.g. 42

The value of the 4 is 40 (or 4 tens) and the value of the 2 is 2 units. How can we use this information to help us add together 42 and 23 quickly?

Ways to help at home: Practice counting in 2s, 3s, 5s and 10s, forwards and backwards, to and from the 10th multiple; practise doubling and halving numbers to 20.

Homework: Please check your homework books for the latest homework.
