

# The Hoot

OSWALD ROAD  
PRIMARY SCHOOL

## Announcements & Event Reminders

Our thanks to all parents and carers for their donations towards our 'Animal Intuition' event on Thursday. The children loved meeting Matilda (the giant African land snail), Stan the scorpion, Marge the millipede, Mr Tickle the Royal Python and especially Charlie and Lola, the splendid hissing cockroaches. They learnt a great deal and we are sure they can tell you all about them.

Thanks also for your support at parent's evenings this week.

## English & Maths

Next week we will continue reading Beowulf by Michael Morpurgo and shall be writing a narrative in which Beowulf confronts the monster which the children invented and described this week.

In maths we will be working on methods of division and the children will also be sitting assessment tests.

## Spellings for this week:

comprehension	extension
attention	intention
beautician	dietician
magician	musician
optician	physician

Please remember that all children are required to read daily and add to their reading records

## Fortnightly Topic Task

Our new topic task relates to our science topic about 'Changes of State'. We would like the children to find as many examples as they can, in the home or outside, and record these on a poster. This work is due in on Friday 23rd March.
