

# The Hoot

OSWALD ROAD  
PRIMARY SCHOOL

## Announcements & Event Reminders

The children had a great time during their Anglo-Saxon workshop this week!

The next event will be a visit from 'Animals Intuition' on Thursday 15th March, where the children will get to see a variety of minibeasts. A letter has been sent home this week regarding this event, so please get your reply slips in to the office as soon as possible.

## English & Maths

Next week in English we will be continuing to read Beowulf by Michael Morpurgo. We will be writing a news report about the hero's epic encounter with the monster, Grendel.

In maths we will be working on telling the time and converting between units of time.

## Spellings for this week:

migration	motion
nation	option
population	potion
ration	reception
reflection	solution

Please remember that all children are required to read daily and add to their reading records

## Fortnightly Topic Task

The first topic task for this half term links to our work on the Anglo-Saxons. We would like the children to either: 1) research anything they can find out about the life of Alfred the Great, including his achievements in saving the Kingdom of Wessex, and what he did next to secure the future of his people; or 2) make an Anglo-Saxon artefact (this could be a shield, seax, purse, dress or tunic—it's up to you!). This homework is due in on Friday 9th March.
