

28th February 2018

Dear Parents/Carers,

Build a Bird House Competition

As part of the fantastic work our Eco Team are doing we would like to make our playground more inviting to local wildlife, including birds. With this in mind we would like you to have a go at building your own bird houses for us to put up around school!

Your bird house will need to be durable and strong, preferably made of wood (see example below). We are looking for creative designs that will make inviting homes for the birds. Your completed bird houses will need to be brought to the school office by **Monday 16th April**.

There will be a prize of a £10 gift voucher for the best bird house. Happy building!

Kind regards,

Sophie Roberts
Eco Team Leader
