Dear Parents/Carers,

## British Values Day

At Oswald Road Primary School we endeavour to embrace and uphold all our British Values. After last year's successful British Values Day we have decided to hold another British Values Day this year. The four British Values that we will be talking to the children about will be: democracy; the rule of law; individual liberty; and mutual respect and tolerance for those with different faiths and beliefs and for those without faith.

As a school we actively promote these British Values every day. However, we have decided to dedicate a really fun and enjoyable day where we can celebrate these values as a school, living together in unity and peace. The children will take part in different activities based around British Values throughout the day.

Our British Values Day will take place on **Monday 23<sup>rd</sup> April**. We will be having a special themed lunch in relation to this and we are giving children the choice to wear either their own cultural clothing, or something white, red or blue.

The day will be a really good opportunity for the children to learn about what these four British Values stand for and how they are being implemented across the school and our country.

Kind regards,

Natalie Glendon
