English

We are going to be writing our own stories entitled 'Why Giraffe has a Long Neck!' We will first of all read the story 'Why Elephant has a Trunk' and use the structure of this to guide us.

Things to think about: We really need to be remembering our basic skills for writing such as using capital letters, finger spaces and punctuation. We also need to think about how to make our writing interesting for the reader. Can we use adjectives, adverbs and different sentence types?

Maths

We are coming to the end of our unit on fractions. We will be looking at a variety of problems that involve working out different fractions.

Things to think about: How do we know how many groups to sort our number into? *To work out a third of a given number, we share that number into 3 equal groups.*

Homework: Please check your homework books for the latest homework.
